### **CNDE Sponsorship Descriptions**

*Listed below are the available sponsorship packages for supporting CNDE and its mission. Please review the sponsorship levels, their associated benefits, and costs. Each sponsorship is an annual fee to create a lasting relationship between our companies. To indicate your selection, please complete the attachment entitled **CNDE Sponsorship Form**.*

#### **Major Sponsor ..... \$15,000 or more**

*A Major Sponsor is the highest level of sponsorship that a company can achieve. This level requires that the company sponsors \$15,000 or more annually to support CNDE and all of its endeavors. In exchange, CNDE offers multiple benefits at this level: (1) a company representative to sit on the Board of Directors; (2) company exposure on CNDE website and at CNDE sponsored events; (3) substantial impact on project direction; (4) access to CNDE's International Symposium for the Nondestructive Characterization of Materials (ISNDCM™); (5) access to technology and informational interchange; (6) guidance and consulting on projects; (7) ability to perform joint projects; (8) virtual community interaction with proven, demonstrated, and qualified members; (9) global access to resources; (10) access to training and professional development, and; (11) CNDE's Emerging Technology Forum.*

#### **Funder ..... \$1,000 - \$10,000**

*A Funder is the middle level of sponsorship, requiring companies to sponsor between \$1,000 and \$10,000 annually to support CNDE and all of its endeavors. In exchange, CNDE offers multiple benefits at this level: (1) company exposure on CNDE website and at CNDE sponsored events; (2) access to technology and informational interchange; (3) guidance and consulting on projects; (4) ability to perform joint projects; (5) virtual community interaction with proven, demonstrated, and qualified members; (6) global access to resources; (7) access to training and professional development, and; (8) CNDE's Emerging Technology Forum.*

#### **Supporter ..... \$500 or below**

*A Supporter requires companies to sponsor \$500 or below annually to support CNDE and all of its endeavors. In exchange, CNDE offers multiple benefits at this level: (1) company exposure on CNDE website and at CNDE sponsored events; (2) access to technology and informational interchange; (3) virtual community interaction with proven, demonstrated, and qualified members, and; (4) global access to resources.*

#### **University/Technology Member ..... Agreement/No Charge**

*At least three (3) years cooperative agreement to participate in CNDE activities. University or company will receive the following benefits: (1) access to CNDE's International Symposium for the Nondestructive Characterization of Materials (ISNDCM™); (2) (free registration to CNDE's ISNDCM™), and; (3) priority consulting and technology advice support for CNDE members.*
